

# Ella Jungle Resort

Ella Jungle Resort is a beautiful holiday and nature resort situated in surroundings of beautiful jungles, cliffs and waterfalls. Their vegetarian food and especially their barbecue, is delicious. We love the evening atmosphere as they build a campfire at night.

Their eco lodges are beautiful and luxurious and have been built and designed in line with **ecofriendly techniques & principles**.

Nestled on the banks of the Kirindi Oya River and surrounded by wild jungles, bubbling mountain streams, and abundant flora and fauna. It's the perfect setting for the many adventure activities provided at the resort or simply a place to be still and merge with nature.

What you could excite at Ella Jungle Resort with chilling & thrilling activities including breathtaking attractions.
