

## Polwaththa Eco Lodges - Kandy

Polwaththa Eco Lodges consists of 15 lodges spread out in a pristine environment, giving you a 'Living-in-the-Jungle' experience. Situated 19km east of Kandy each lodge offers basic comfort with great views and privacy.

Activities include Yoga, local cooking lessons, a wide choice of treks through nature, quaint villages, smiling faces, rice-fields, tea-plantations, waterfalls, rivers and the famous Knuckles Mountains

Polwaththa offers a pristine environment with average day temperatures of 26C and night temperatures of 22C with hardly any mosquitoes. We are pet friendly with 7 dogs and 5 cats, living in harmony with wild-boar, deer, porcupine, giant squirrels, monkeys, butterflies, bats, fire-flies, insects and over 60 species of birds with 15 endemics – a paradise for bird watchers.

Authentic Sri Lankan meals are cooked on a hearth in clay pots giving you a taste of real Sri Lankan village culture - served with a smile by our local staff.
