

Venture Camps

You can experience the greatest glamping adventure in absorbing the nature's gift of the surrounding rich rugged slopes of Knuckles Mountain Range with moderate & comfortable accommodation in an ideal environment for nature lovers, only 1 hour and 30 min away from Kandy.

Camp is located at the border of Knuckles forest conservation and surrounded by endemic wilderness & lush green Tea plantation of Katool Oya Estate & mingles with stretches of forestry with a panoramic view of the Knuckles mountain Range & Central hills where

Venture Camps will help all our guest to get the maximum bush experience.

At night Kerosene oil bunkerlamps & lanterns will light up the whole Camp, Pathways and around the tents. We have kept an Authentic experience for our guest where our Camp doesn't run with any sort of electricity.

Our Eco-Friendly concept has made sure to leave almost every bit of vegetation in the property untouched. Each tent is faced towards a mesmerizing view towards the Knuckles range . Our tents are personally tailored according to the correct requirements of the area and for optimum security & safety, flushable bathrooms right next to the tent, not to mention the star feature of the tents being the OUTDOOR SHOWERS overlooking the rugged slopes of the Knuckles Range.

Each tents has a porch where you can relax and admire the Beauty nature has to offer.
